

# CHOOSE PEACE OF MIND

Go Ahead travelers are offered insurance through plans by Specialty Insurance Solutions (SIS) that are underwritten by United States Fire Insurance Company. These plans\* includes travel insurance benefits and services to help you secure your investment. To view the Benefits Guide for additional details about each plan, visit [goaheadtours.com/travelprotection](http://goaheadtours.com/travelprotection).

## Trip Protection (Best value!)

Trip Protection allows you to safeguard your investment with cancellation coverage for unexpected situations that prevent you from traveling or require you to interrupt your tour along the way. Plus, if you enroll in this option within three days of booking your tour, you'll also receive our free Early Enrollment Package!

*Deadline to enroll: Tour Finalization Date*

## Basic Trip Protection

Travel coverage isn't one-size-fits-all, and ensuring peace of mind shouldn't be stressful. That's why we also offer Basic Trip Protection, which provides protection for the same unplanned circumstances, but works well for those who want less coverage with a lower price tag. You can choose which option will best meet your needs for each trip you book.

*Deadline to enroll: Tour Finalization Date*

### Each package provides you with coverage for:

#### Tour Cancellation & Interruption

If an emergency at home hinders your ability to travel as planned or a family member has a medical emergency requiring you to return home early, you'll be eligible for valuable refunds and reimbursements.

#### Travel & Baggage Delay

Should circumstances beyond your control cause you or your baggage to be delayed in reaching your tour destination, you may be reimbursed for related out-of-pocket expenses.

#### Baggage & Personal Effects

Benefits will be paid in the event of permanent loss, theft, or damage of your personal belongings while on tour.

#### Accident & Sickness

What happens if you have a medical emergency abroad? Trip Protection offers up to \$50,000 in coverage and Basic Trip Protection offers up to \$25,000 for:

- Out-of-pocket expenses
- Arrangement of emergency flights
- A 24-hour, worldwide service network

*Plus, when you enroll in either plan and book Go Ahead flights, you can also purchase Extended Protection for up to 14 days beyond your tour dates!*

## AnyReason Protection\*\*

### Bonus coverage

When you enroll in Trip Protection or Basic Trip Protection any time before your Tour Finalization Date, you'll have the option to add AnyReason Protection for just \$75. This extra benefit protects you should you need to cancel your tour at any time prior to checking in for your first scheduled flight; you'll receive a Go Ahead voucher for a future tour if you need to cancel for a reason not covered under your protection policy.

## Early Enrollment Package

### Exclusively offered with Trip Protection

Even better than further protecting your investment with AnyReason Protection? Getting to do it for free, and combining it with complimentary Pre-Existing Condition Coverage.
